

Mercedes-Benz of Lindon would like to thank you for your patronage. Your lease will be ending soon and there are costs related to the turn in of your vehicle. I have been trained by Mercedes-Benz to help reduce or eliminate these fee's.

If you are close or over on your allowed mileage or if your family needs have changed there are options that will also take care of your lease turn in fee of \$595.00. Please contact me so we can discuss how this fee can be waived.

I have included a THREE-POINT INSPECTION form. Please take a minute and fill in the blanks so we can see where you are in relation to the allowed mileage, glass, tire's and overall condition. Once this is completed please set an appointment with me to inspect your vehicle. My email address is sward@lhmauto.com and my cell number is 801-907-1955 (call or text)

Sincerely,
